

Jimmy Alcivar Arteaga Student Travel Award

for international students to attend Aquaculture 2025
(National Shellfisheries Association Triennial conference)

New Orleans, Louisiana, USA

March 6 - 10, 2025

12 awards available. *Covers NSA membership, Environmental Sustainability Rotary Action Group membership (ESRAG, www.esrag.org), airfare, shared hotel room, meals, poster printing, and airport-New Orleans-airport transportation costs.*

Students interested in applying for a travel award must present a poster at the Aquaculture 2025 meeting and send the following information as soon as possible to fucobi@gmail.com: abstract, curriculum vitae, and copy of the visa page in your passport (ready for submission to the Aquaculture 2025 meeting).

Students should not submit abstracts into the Aquaculture 2025 portal until they are approved by the Scientific Committee of the FUCOBI Foundation. They will select awardees based on ratings of the quality of the research.
